---

## PROFESSIONAL EXPERIENCE

### Bhimavaram.Online

Front end Developer Intern

Led the front-end development of an interactive online house game, incorporating responsive design principles for seamless user experience across various devices. Implemented real-time features, enhancing player engagement through live chat, interactive cards, and dynamic number displays.

### Bhimavaram.Online

Digital Marketing Intern

Experienced digital marketing professional with a focus on creative campaign development and measurable results. Proven adaptability to startup environments, showcasing collaboration skills and a history of driving impactful projects. Proficient in leveraging various digital marketing tools and committed to continuous learning. Seeking to contribute innovative strategies and a results-driven approach to boost a startup's success.

### Ananta Resource Management

Currently interning at Ananta Resource Management, where I'm gaining valuable experience in digital marketing strategies, including social media management, SEO optimization, and content creation. Excited to contribute to the team's success!
